

May 26, 2017

Dear Parents and Students,

While summer is synonymous with rest and relaxation, there are certain skills which need to be maintained for a successful upcoming school year. Just as the body needs exercise to keep it healthy, so does the brain! The following paragraphs explain the criteria that must be met this summer.

### Summer Reading

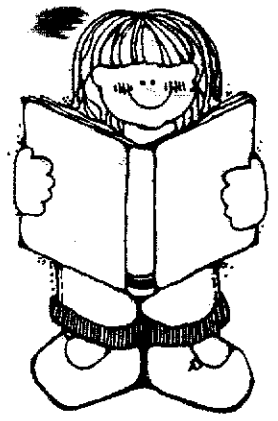

- All students will be required to do 2 book reports of their choice.
- Students may not read a book that has been made into a movie or cartoon.
- Books must be appropriate for the student's grade level.
- Students must write the book reports in their own handwriting.
- Book reports will be counted as part of the first quarter reading grade.
- Both book reports are due the first day of school.
  
- We highly recommend participating in the Summer Reading Program from the Cuyahoga County Public Library. If you participate, please turn your game board in on the first day of school for credit.
  
- If you misplace the forms for the book reports, you can find them on the school website.

The benefits of maintaining and hopefully improving reading skills will be well worth the small time investment. We wish parents and students alike a safe and enjoyable summer.

Sincerely,

Grade K-1 Teachers of St. Anthony School
